INTRODUCTION

SUPERINTENDENT'S MESSAGE

Dear Students, Parents, Guardians, and Staff,

Greetings! On behalf of the Board of School Directors and the Administrative Team I would like to introduce you to the Panther Valley School District Student-Parent Handbook. We strive to create a positive and purposeful environment for the students of Panther Valley. This handbook is a guide to the policies and procedures that our Administrative Team utilizes throughout the District. Our goal is to address all issues and concerns fairly and consistently based on the policies and procedures established by the Board of School Directors.

Education and discipline are a shared responsibility between the students, parents, teachers, and administrators. Please read the handbook and maintain it for your future reference. It is not all inclusive, but covers a majority of the concerns students and parents routinely have. We look forward to a successful school year and exciting opportunities that a fresh start always brings.

Yours in Education,

David McAndrew, Jr.
Superintendent

Please make sure you keep your phone number current in the Sapphire system to get alerts.

SCHOOL PROCEDURES

ATTENDANCE

Regular attendance is essential to succeed in school. Completion of classroom subject tests does not indicate that a student has mastered a particular subject. Teachers' lectures, in-class discussions, successful completion of homework assignments, and class participation are all factors that determine satisfactory course completion and credit attainment.

COMPULSORY SCHOOL ATTENDANCE

It is the duty of the Commonwealth to require that every educable child within its jurisdiction receive at least an elementary and secondary education in so far as such level may be attained. If the parent will not insist that children take advantage of the free educational opportunities offered, it becomes the duty of the state to require that this be done so that a democratic government may be assured of a population sufficiently well-educated to appreciate the responsibilities of citizenship.

TRUANCY REFORM: ACT 138 OF 2016

Act 138 of 2016 provides significant improvements to the truancy system in Pennsylvania. The act clarifies and updates definitions and the process for addressing unexcused absences. Act 138 also makes changes to the penalty provisions in a manner that promotes a proactive approach to truancy and greater flexibility in the imposition of intervention and penalties for truancy.

ENFORCEMENT OF ATTENDANCE ISSUES

Enforcement of the compulsory attendance laws in the Panther Valley School District shall be in strict accordance with the school laws of Pennsylvania and the Department of Education.

MAKING UP MISSED WORK

Students who are legally absent from school will have the opportunity to make up missed assignments. The amount of time to make up assignments will be calculated by taking the number of absent days plus one day to turn in the work when they return to school. Legally absent students should consider going to the district website or friends in order to keep up with homework assignments. Students who are seriously ill and will be out for a significant amount of time should have their parent(s) contact the guidance office in order to make arrangements to obtain school work. Students who are illegally absent or unexcused from school will not have the opportunity to make up assignments/quizzes, tests that were missed for credit and will receive a zero for any such assigned test quiz for that day.

ABSENCES

EXCUSED ABSENCES

The compulsory attendance law requires a child of compulsory school age to be in attendance at school, unless absent for an approved reason, and charges the parent of the child with the responsibility for such attendance. The Pennsylvania Supreme Court states that once a child is enrolled in kindergarten, that child is now of compulsory school age until the age of seventeen, or until graduation from a regularly accredited senior high school, whichever occurs first.

The following reasons as found in the Chapter 11, Pupil Attendance of the Regulations of the State Board of Education of Pennsylvania, are the **only reasons** for an approved temporary absence from school:

1. RELIGIOUS HOLIDAYS AND RELIGIOUS INSTRUCTION

- a. Upon written parental request, and in accordance with the policies of the district's Board of School Directors, pupil may be excused from school for religious holidays observed by bona fide religious groups.
- b. Upon written parental request, a pupil shall be excused from school in order to attend classes for religious instruction under Section 1546 of the Public School Code of 1949 (24 P.S. S 15-1546). The excuse shall be limited to a total of not more than thirty-six (36) hours per school year.
- c. A pupil's absence from school for religious holidays or for religious instruction shall be recorded as an excused absence. There shall be no penalty attached to an absence for religious holidays or instruction. No student who has been excused from school because of a major religious holiday will be deprived of any awards.

2. HEALTH CARE (Also see Excusal for Appointments)

A pupil may be excused during school hours for the purposes of obtaining non-school professional health care under the following circumstances:

- a. The health services are rendered by state licensed practitioners.
- b. There has been established reasonable cooperation between the school authorities and the practitioners in providing services to school children outside school hours.
- c. The time of necessary absence from school involves a minimum of interference with schoolwork.

3. ILLNESS OR URGENT REASONS

Every principal may, upon receipt of satisfactory evidence of mental, physical or other urgent reasons, excuse a child for non-attendance during a temporary period, but the term "urgent reasons" shall be strictly construed and shall not permit irregular attendance. Failure to submit a note will result in a student being given an illegal day (absence will be marked unexcused/unlawful/illegal).

The following may be construed as being among "urgent/reasonable causes":

- a. Illness **If the absence is for 3 or more consecutive days, a healthcare service provider's note must be presented to the school.** b. Quarantine, when verified by a public health service or licensed physician. c. Unusual emergency affecting a given student (ex: recovery from accident). Note: When a student, for disciplinary reasons, has been denied bus privileges, lack of transportation is not a legal excuse. d. Impassable roads. e. Death in the family. f. Educational travel, which must be approved in advance by the building principal. **Such travel may not exceed more than 5 (five) consecutive school days, nor occur during the first 2 (two) and last two (2) weeks of the school year and/or during the PSSA testing periods. Only one 5 day vacation period is permitted per school year.**

Within 3 days of returning to school after an absence, a parent–signed excuse note or medical excuse note should be submitted to the school or the absence will be considered illegal/unlawful.

4. EXCUSAL FOR APPOINTMENTS OR ILLNESS

1. Excusal for Appointments:

- a. If for some reason you must remove your child from school during the day, please follow the guidelines in the "Leaving Early" section of this handbook.
- b. No teacher may grant a pupil permission to leave the building before regular dismissal unless it is cleared by the principal.
- c. Doctor and dentist appointments, properly verified, will be acceptable reasons for granting permission to leave the building.
- d. Each appointment slip must be signed by the doctor, dentist or proper authority and returned to the office as soon as possible after the appointment, but at the most within 3 days of the student returning to school

2. Excusal for Illness (See "Notification Letters of Absence" section for more information)

- a. Pupils who become ill during the school day should see the nurse. If the nurse is unavailable, go directly to the school office. Parents/guardians must be contacted by phone before a student can be excused.
- b. **All parents must submit an emergency telephone number to the school in the event that the parents cannot be reached. In the event that a telephone number has changed please notify the school office immediately.**
- c. Excessive absence is a valid reason for a student to fail a marking period.
- d. A student with excessive absence may be denied participation in school-related functions including, but not limited to, assemblies, field trips and/or special programs. A parent-counselor-principal conference will be scheduled to discuss retention due to excessive absence.
- e. If a student has excessive absences and it is determined that no extenuating circumstances exist then the student may be retained in the same grade for the following school year.

5. CHARTER/CYBER SCHOOL ATTENDANCE

Any student applying to enter a charter/cyber school must attend the appropriate Panther Valley School District school daily, until the date of acceptance by the charter/cyber school. Failure to abide by this rule will result in being cited for truancy. All PVSD attendance rules apply to charter/cyber schools.

EXCUSE NOTES

All excuses from parents/guardians, medical service providers, court clerks, etc., are to be in writing. The school offices have blank excuse forms for parents/guardians to use. Parent-provided forms or blank paper may also be used. Verbally informing someone at the school that a child will be or was absent is not sufficient. Excuse notes may be given to the student to give to the teacher, given to the office directly, faxed to the office or emailed to the office (by prior arrangement). Attendance data is usually updated within 36 hours. Parents/guardians will be responsible for being aware of how many days their child has been absent. By signing up for the Sapphire Community Portal you can see if an excuse document reached the office. Call the office to learn about accessing the Portal.

Please remember that an excuse note must be submitted within 3 days of the student returning to school or the excuse will be considered illegal/unlawful.

TARDINESS

Parents are expected to ensure that their children arrive on time. Tardiness is disruptive to the instructional process and forces the teacher into unnecessary repetition. Being on time for school teaches the importance of being prompt. This is an important life skill.

EARLY MORNING APPOINTMENTS

If you have an early morning appointment, e.g., orthodontist, doctor, etc., a doctor's note must be presented to the school office upon your arrival for you to be marked "excused tardy or A.M. 1/2 Day absent". If no note is presented, the absence will be considered as unexcused tardy or unlawful 1/2 Day absence.

EXCUSED TARDINESS REASONS

1. Illness or injury.
2. Medical or dental appointments - Doctor/dentist excuse is required.
3. Attendance at a funeral service for a family member.
4. Participation in religious instructions or observations.
5. Driver's test or eye examination for a driver's test, with the time of departure from the facility listed on the note.

Students are encouraged to make personal appointments on their own time and not on school time. Any exceptions to the above list will be handled on an individual basis by the principal.

EXCESSIVE TARDINESS

In order to ensure a consistent educational program, students are expected to arrive at the school buildings on time and be prepared for the school day. A student arriving after the Arrival Time stated in the Daily Time Schedule must report directly to the main office to be given a tardy slip. As tardies are accumulated throughout the year, disciplinary action, such as a detention, may be taken, according to individual school policies.

TARDINESS AT PV ELEMENTARY SCHOOL

Students must be in their homerooms by 8:30 a.m. to not be considered tardy. If you arrive late to school, report to the office for a tardy slip and admittance to class. Quarterly and end-of-year perfect attendance awards will be impacted by five or more tardies. Three tardies in a marking period may result in a warning and parent letter. Five tardies may result in a detention. Eight tardies may result in a detention and a parent meeting.

Arrival Time	8:31 A.M. – 9:00 A.M.	Tardy
Arrival Time	9:01 A.M. – 11:45 A.M.	1/2 Day A.M. Absent
Arrival Time	11:46 A.M. or later	Full Day Absent

TARDINESS AT PV INTERMEDIATE SCHOOL

Students must be in their homerooms by 8:30 a.m. to not be considered tardy. If you arrive late to school, report to the office for a tardy slip and admittance to class. Quarterly and end-of-year perfect attendance awards will be impacted by five or more tardies. Three tardies in a marking period may result in a warning and parent letter. Five tardies may result in a detention. Eight tardies may result in a detention and a parent meeting.

Arrival Time	8:31 A.M. – 9:00 A.M.	Tardy
Arrival Time	9:01 A.M. – 11:45 A.M.	1/2 Day A.M. Absent
Arrival Time	11:46 A.M. or later	Full Day Absent

TARDINESS AT PV JUNIOR-SENIOR HIGH SCHOOL

Arrival Time	7:21 A.M. – 7:50 A.M.	Tardy
Arrival Time	7:51 A.M. – 10:35 A.M.	1/2 Day A.M. Absent
Arrival Time	10:36 A.M. or later	Full Day Absent

Unless you are in your homeroom and seated by 7:20 A.M., you will be considered late to school. If you arrive late to school, report to the office for a tardy slip and admittance to class. Students who report to school late, after the first half-hour of the school day, will be considered 1/2 Day A.M. absent. Students who report to school after that time without an “acceptable excuse,” will be considered unexcused and will receive an illegal absence.

If a student is absent from school for any part of a school day or tardy after 8:20 A.M., he/she may not attend or participate in extracurricular activities or sporting events scheduled for that day. This will include any games, practices, clubs or organizations.

LEAVING EARLY AT PV ELEMENTARY SCHOOL

Students may be permitted to leave school for medical or dental appointments, court appearance or family emergencies. Students who wish to be excused early during the school day must present a note to the teacher in the morning of the early dismissal. The note should indicate: (1) the date and time of dismissal; (2) the reason for dismissal; (3) who is picking up the child; and (4) the parent’s/guardian’s signature. The teacher will turn the note into the office with the morning mail and then the information will be placed on a “Student Leaving” list. If the child comes back to the school within 2 hours, a special code will be used to record that fact, but the time away from school will not count as an absence.

Departure Time	10:45 A.M. and earlier	Full Day Absent
Departure Time	10:46 A.M. - 2:00 P. M.	1/2 Day P.M. Absent
Departure Time	2:01 P.M. or later	Not Absent

LEAVING EARLY AT PV INTERMEDIATE SCHOOL

Students may be permitted to leave school for medical or dental appointments, court appearance or family emergencies. Students who wish to be excused early during the school day must present a note to the teacher in the morning of the early dismissal. The note should indicate: (1) the date and time of dismissal; (2) the reason for dismissal; (3) who is picking up the child; and (4) the parent’s/guardian’s signature. The teacher will turn the note into the office with the morning mail and then the information will be placed on a “Student Leaving” list. If the child comes back to the school within 2 hours, a special code will be used to record that fact, but the time away from school will not count as an absence.

Departure Time	10:45 A.M. and earlier	Full Day Absent
Departure Time	10:46 A.M. - 2:00 P. M.	1/2 Day P.M. Absent
Departure Time	2:01 P.M. or later	Not Absent

LEAVING EARLY AT PV JUNIOR-SENIOR HIGH SCHOOL

Students are not permitted to leave the school campus at any time during the school day without permission from the principal or designee. Students may be permitted to leave school for medical or dental appointments, court appearance or family emergencies. Students who wish to be excused early during the school day must present a note to the school office in the morning of the early dismissal. The note should indicate: (1) the date and time of dismissal; (2) the reason for dismissal; (3); who is picking up the child, if relevant; and (4) the parent’s/guardian’s signature. The secretary will then authorize the early dismissal. Upon returning to school, report to the office to sign in and present your doctor’s note. If no note is presented, the absence will be considered as illegal/unexcused. If the student comes back to the school within 1 hour, a special code will be used to record that fact, but the time away will not count as an absence.

Departure Time	9:35 A.M. and earlier	Full Day Absent
Departure Time	9:36 A.M. - 1:00 P.M.	1/2 Day P.M. Absent
Departure Time	1:01 P.M. or later	Not Absent

ABSENCE NOTIFICATION LETTERS TO PARENTS/GUARDIANS

10 days of absence A student is allowed 10 days of absence for any of the legal reasons defined in the prior subsections, as long as an appropriate document, usually a note, is received by the office within three days of the student returning to school. **If the absence is for a health related reason and it is for 3 or more consecutive days, a healthcare service provider’s note should be presented to the school.** One-day or two-day absences for healthcare reasons only need a parent/guardian-signed note. Upon reaching the 10th day of absence a letter will be sent to the parent/guardian notifying the parent of the 10 days of absence and

explaining that this number of absences is considered excessive. Thereafter a medical excuse note for healthcare reasons should be provided or the excuse will be unlawful. No notes will be accepted from a doctor stating that the student in question was not seen by a doctor.

3 days of unlawful absence Upon reaching the 3rd day of unlawful absence, a notification letter will be sent to the parent/guardian stating that the student is now considered truant under the Pennsylvania Truancy Law and if the child continues to be truant and incurs additional absences after this notice has been issued, the school is required to hold a Student Attendance Improvement Conference where the child's absences and reasons for the absences will be examined in an effort to improve attendance.

6 days of unlawful absence When a student accumulates six (6) days of unlawful absence for the current school year, a letter will be sent to the parent/guardian stating this fact and also setting a date and time to attend the Student Improvement Conference at the school. A referral will be made to Children and Youth Services. A Student Attendance Improvement Plan (SAIP) will be written at the conclusion of the Conference. It will include accessing academic and social/health supports from the school and community organizations, an outline of family/parent and student responsibilities, and levels of performance monitoring that include rewards and consequences.

TRUANCY CITATIONS

Under Act 138, of 2016, the penalties for truancy are as follows: Fines placed on parents for truancy can be as high \$750.00 and the parents may be required to pay court costs and/or be sentenced to complete a parenting education program. Under the act, both the truant child and the parents would have to appear at a hearing by the district justice. If the parents show that they took reasonable steps to ensure the attendance of the child, they will not be convicted of a summary offense. If the parents are not convicted and the child continues to be truant, the child will be fined *up to \$750.00* or be assigned to an adjudication alternative program.

Other provisions allow a district justice to suspend a sentence given to the parent or child if the child is no longer habitually truant. A district justice may order the parents to perform community service for up to six months. The law also grants to state, municipal, port authority, transit authority, housing authority, or school police officers the same arrest powers as attendance officers and home and school visitors.

For more information please see www.panthervalley.org for ATTENDANCE – Policy 204

CONTACT INFORMATION CHANGES

If a student moves to a new address within the district and/or changes telephone numbers, parents/guardians with a Sapphire Community Portal account can change the contact information without contacting the school. If a Community Portal account has not been established, the contact information should be given to the appropriate school office to update the student's file. This may be done by sending a note to school with the student to give to the teacher, who will in turn forward it to the office. Also, the parent/guardian may visit the school's office to provide the updated information. It is recommended that all parents establish a Sapphire Community Portal for each student attending any of the Panther Valley Schools. Grades, announcements, attendance records and some official school notifications can also be viewed through the Portal. Contact your school's office for instruction on signing up for the Portal.

If a student is planning to move out of the district, there is a form in each school's office to be filled out by a parent or guardian before moving.

BUSES

SCHOOL BUS POLICY

Adopted: May 23, 1996

Revised: January 29, 2009

It is the policy of the Panther Valley School District Board of Directors to provide transportation for students in accordance with law and the following guidelines.

The Board shall contract for school bus services for the transportation of students to and from school at regularly scheduled hours and for the transportation of students on field trips and athletic trips. The contractor shall provide all necessary school buses to transport our students in accordance with a contractual agreement. The district may utilize vehicles of its own to meet limited transportation needs and supplement the contractor's efforts.

Pupils may be transported if they meet one or more of the following criteria:

1. Elementary pupils living more than 1 and 1/2 miles from their assigned school.
2. Special Education (E.M.R. /S.E.D. /T.M.R. /L.D.) and Handicapped, (visual, hearing and physical), handled on a category by category basis.
3. Any pupil regardless of distance, if the PA Department of Transportation certifies the road on which the pupil must walk is hazardous.

PARENTAL CONVENIENCE SHALL NOT BE CONSIDERED AS MEETING THE CRITERIA FOR TRANSPORTATION.

The school bus driver shall be responsible to enforce the bus rules and regulations for students while they are being transported to and from school. A student may be suspended from bus transportation by the principal, disciplinarian or superintendent for disciplinary reasons. If a student is suspended the parents are responsible for the pupil's transportation.

The Principals, Disciplinarians and Superintendent shall have power to suspend students from riding the bus or to take other reasonable disciplinary action for misconduct on school buses. For disciplinary purposes, the school bus is deemed to be similar to the classroom. The Board recognizes that although a bus driver is responsible for maintaining the bus rules and regulations on a bus, there may be an occasion when referral of a case by the driver to school officials is both desirable and necessary. All referrals are to be first reported to the Transportation Supervisor who makes an investigation. If warranted, the supervisor shall make a recommendation to the appropriate Principal. Parents are to be notified in each instance of a suspension. Out of district student placement problems of a disciplinary nature shall be handled in a similar fashion.

All students shall ride the bus to which they have been assigned. Students will be picked up and dropped off **ONLY** at their approved stop. However, a parent/guardian may request to have a student picked up at one stop in the a.m. and dropped off at another in the p.m. in child care circumstances provided the arrangement is consistent daily.

BUS CONDUCT

The following rules of conduct are prescribed for pupils who ride school busses. All riders are expected to comply with these regulations. Violations will result in disciplinary action.

1. Walk in front of the bus when crossing the road.
2. Remain in the seat while the bus is in motion.
3. Always take a seat assigned by the driver.
4. Be on schedule at all times.
5. Keep feet on the floor of the bus when seated.
6. Keep laughter, talk and noise at a low level.
7. Pushing or shoving while getting on or off the bus is prohibited.
8. Fighting is prohibited.
9. Swearing is prohibited.
10. Marking or writing on any part of the bus is not permitted.
11. Eating, drinking, or smoking are not permitted on busses.
12. Do not extend your hand or head out of windows.
13. Do not put pressure on the back of the seat in front of you.
14. Loosening or removing screws, bolts or nuts is strictly forbidden.
15. Do not use the emergency door unless there is an emergency.
16. Littering inside the bus with paper or other refuse is prohibited.
17. Pupils must have written permission to leave the bus at other than regular stops.
18. No pupil is permitted to ride a bus unless authorized to do so.
19. Pupils are expected to follow directions of the driver at all times.
20. Pupils must refrain from annoying drivers.

Transportation by school bus is a privilege and not a right. Pupils may be suspended from the bus-riding privilege for violation of rules.

TRANSPORTATION PROCEDURES

Bus transportation to and from school is a privilege extended to the students of the Panther Valley School District through the efforts of the taxpaying citizens of our district. It must be understood by both the students and their parents/guardians the responsibilities which this privilege carries. It is important that discipline is maintained on school busses. Misconduct on school busses is dangerous and foolhardy as well as selfish and lacking in self-discipline. The Panther Valley School District has set down regulations and students who violate them may be denied bus transportation. The rules have one aim: **safe transportation between school and home.**

Students, while riding the bus, will conduct themselves in a manner that will not distract the driver. A driver has many responsibilities and all of them are important for the safety of the students.

1. The driver is in complete charge of the bus and the students. The driver has the authority when notified by the Principal to refuse transportation to a student who has violated the rules, until the case is reviewed and acted upon by the Administration of the School District. Any incident must be reported by the bus driver to the Transportation Supervisor within 24 hours of the occurrence who in turn will report the incident to the appropriate building principal.
2. Students in KINDERGARTEN AND 1st GRADE must be accompanied by an adult in the AM at the bus stop and have someone at the bus stop in the PM.
3. Any parent who intends to pick up his/her child at school must submit a signed note stating the date and time of pick-up as well as the person who will pick up the child. **IF THE ADULT HAS NOT ARRIVED BY THE TIME THE CHILD'S BUS IS SCHEDULED TO DEPART FROM THE SCHOOL, THE STUDENTS WILL BE PLACED ON HIS/HER BUS.** For this reason, parents picking up a child should arrive at the school no later than 10 minutes before dismissal and requests should be kept at a minimum. The school assumes NO responsibility in sending the child on his/her regular bus if not picked up before the bus leaves the school.
4. Punishment for bus violation for first offenders shall be consistent with the rules and regulations as set forth by the Panther Valley School District. Second offenses shall cause denial of bus privileges for three (3) school days. A third offense shall cause loss of bus riding privileges for 5 - 10 school days. A final offense shall result in loss of bus riding privileges for an indefinite period of time subject to administrative decision and review. A conference will be held with parents, principal and/or transportation director. In addition, for each offense, the administration has the right to revoke other privileges such as attendance at programs, assemblies and/or field trips.

5. Withdrawal of school bus privileges does not relieve either the student or the parent of their responsibilities to compulsory attendance laws. Absence from school for this reason will be considered an unexcused absence. Parents are expected to provide transportation on these days. **Lack of transportation is not considered a legal excuse for absence on any school day.**
6. In the event of serious or repeated violation of bus regulations, the district may file a summary offense, misdemeanor or felony complaint with the local magistrate. These complaints include, but are not limited to, harassment, disorderly conduct, assault, criminal mischief and recklessly endangering another person.
7. **PERMISSION TO CHANGE BUSES WILL NOT BE PERMITTED.** Bus overload is of prime concern since it involves the safety of students and is prohibited by law. Questions concerning busing should be directed to the transportation department in the Business Office at 570-645-4248.

TRANSPORTATION IN A HAZARDOUS ROAD CONDITION

If hazardous road conditions exist and it is safer to park the bus, the driver will do so in a safe area without restricting traffic. The bus driver will turn on hazard lights and leave the bus running and heated. The bus driver will inform the bus garage and school district transportation manager. The Transportation Manager or designee will inform the individual schools of the situation and the delay of student arrival.

The Transportation Manager will inform PennDOT of the road conditions, corresponding borough authorities and police through the appropriate Communication Center.

Every fifteen minutes the bus driver will notify the Transportation Manager of the situation.

After fifteen minutes of the bus being parked a School District official will send out a Sapphire Notification message to parents. Parents will be asked to NOT pick up their children because of the potential safety concerns of all individuals.

IF PARENTS STILL CHOOSE TO PICK UP THEIR CHILD

1. Call the school building and inform the office personnel that they will pick up their child. The parent must provide the office with the name of the person who will pick up the child.
2. The building office personnel will inform the Transportation Office of the request.
3. The Transportation Clerk will contact the bus driver with the proper information.
4. The parent(s) must present a photo ID and sign a form for the bus driver to release the student.

CAFETERIA

A free hot lunch program is offered in all the schools, as well as a free breakfast. Lunch and breakfast menus are sent home each month. Menus are also viewable by going to <http://www.panthervalley.org/> and clicking on the "Lunch Menu" button. Then select your child's school. Snacks are available for purchase in each building on certain days for students in grades 2-12. Only cash is accepted to purchase snack items.

CAMERA SURVEILLANCE 816 REVISED

The school district may, from time to time, place and use video surveillance cameras on school property and school buses in order to protect the health, safety or well-being of its students, staff and visitors; protect school property against damage, vandalism and theft; and to monitor the behavior of students.

GUIDELINES

SCHOOL PROPERTY CAMERA USE

The school district may elect to place video surveillance cameras inside and outside of its school buildings, parking lots, and athletic facilities and fields. Cameras may be placed in any public areas in buildings where individuals traditionally do not have a

reasonable expectation of privacy, including, but not limited to, outdoor areas, public entrance ways into buildings, hallways, cafeterias, gymnasiums, and auditoriums. Cameras shall not be placed in lavatories, locker rooms, school nurse office examination rooms, or other areas where individuals may disrobe.

SCHOOL BUS CAMERA USE

Each school bus shall be equipped with a video camera box that is capable of holding a video camera at any given time. If the school district elects to place a camera in this box, neither the school bus driver, students or other occupants of the school bus shall be able to determine if a camera is being used. The Transportation Department shall rotate cameras through the entire school bus fleet as deemed appropriate to monitor student behavior and potential safety-related concerns.

NOTIFICATION REGARDING CAMERA USE

The school district shall take reasonable steps to notify students, parents/guardians, employees and visitors regarding the use of video surveillance cameras on school property. The purpose of such notification is to eliminate any expectation of privacy that an individual may have when coming onto school property. Notification regarding the use of surveillance cameras shall be done in the following manner:

1. Every school's student handbook shall advise students and their parents/guardians regarding the use of video surveillance cameras on school property and school buses.
2. The school district shall post signage at the entranceway of all school buildings where cameras are used, to advise individuals of their limited expectation of privacy due to video surveillance cameras.
3. The school district or its transportation contractor shall post signage near school bus entrance ways and inside school busses to advise passengers of their limited expectation of privacy due to the use of video surveillance cameras.

USE OF VIDEO SURVEILLANCE IMAGES

The images recorded by video surveillance cameras may be used by school officials to investigate conduct which may violate school rules or constitute misconduct; to investigate the facts and circumstances surrounding an incident that has been reported to school officials; to identify individuals involved in a particular incident or pattern of conduct which is being investigated.

The images recorded by a video surveillance camera may be used by school officials to investigate student or employee misconduct, and used as evidence in any student or employee disciplinary proceedings conducted by the school district.

The school district may provide law enforcement officials with copies of images from video surveillance cameras to report conduct which it reasonably believes may constitute evidence of a crime or to assist a law enforcement investigation.

RETENTION OF VIDEO CAMERA IMAGES

The school district shall dispose of, erase or otherwise discard visual images from its video surveillance cameras within thirty (30) days of the date on which the images were recorded, unless the images are retained for investigative purposes in compliance with this paragraph.

The Superintendent may authorize appropriate school personnel to retain a video surveillance camera image beyond thirty (30) days for the following purposes:

1. To investigate student misconduct, which may result in a student being suspended or expelled from school.
2. To investigate alleged employee misconduct, which may result in disciplinary action being taken against an employee.
3. To investigate damage, vandalism or theft of school buildings, school vehicles, school equipment or other property owned or controlled by the school district.
4. To comply with a request by law enforcement officials, the district's insurance carrier or the district's solicitor or special counsel to preserve video images that may be relevant in an investigation of a criminal case, insurance claim involving the school district or a matter which may result in litigation being initiated against the school district.

5. To comply with a lawfully issued subpoena or court order, which requires the school district to preserve images from its video surveillance cameras.

CHAPERONES AND CLEARANCES

The School District's Volunteer Policy requires all Chaperones to be board approved and prior to board approval, submit to the district for review and verification their Act 34, Act 114 and Act 151 clearances. There is a Panther Valley School District Verification form that may be used in lieu of the Act 114: FBI Fingerprinting Clearance, if a registrant has lived in the state of Pennsylvania for 10 years or more and has not been convicted of any offense as specified in Section 6344 of the Pennsylvania School Code. Each clearance must not be dated more than one (1) year prior to the date of submission.

COMPUTER USE AND INTERNET USE POLICY

For more information please see www.panthervalley.org for Policy 815 - ACCEPTABLE USE OF INTERNET

DETENTION

Students may be assigned after school detention by the principal or designee. It is the responsibility of the parent or guardian to provide transportation home from detention. Failure to attend detention may result in additional disciplinary action.

DRESS AND GROOMING

For more information please see www.panthervalley.org for Policy 221 – DRESS AND GROOMING for the most current regulations as it relates to dress and grooming.

DRUGS AND ALCOHOL

Use of any drugs and/or alcohol on school property is prohibited and disciplinary action will be used for any violations. For more information please see www.panthervalley.org for DRUGS AND ALCOHOL - Policy 227

ELECTRONIC DEVICES, CELL/MOBILE PHONES, & OTHER ITEMS

To avoid interruptions to the instructional program, it is the policy of the Panther Valley School District that no cell phones or other electronic devices shall be brought into the school building, on the school bus, or on class field trips unless they have been approved as part of a class assignment. The school will **NOT** accept responsibility for the loss of personal property. If such items are brought to school and used, they may be taken and kept in the school office until parents come to claim them.

If reasonable suspicion exists to believe that the cell phone or electronic device was used in the commission of a crime, as defined in the Pennsylvania Crimes Code, then the device shall be confiscated by the School District and the police department notified of the incident in order to conduct an investigation. The cell phone or electronic device may be subject to seizure by the police department as evidence of the commission of a crime and the device will not be returned to the student until such time as the police have completed their investigation and/or advised the school district, in writing, that the device was either not used in the commission of a crime or that it will no longer be needed for the investigation.

Students who engage in using the camera and video application or any electronic device during the school day on school property will be subject to the following:

1. Possible 10 day Out-of-School Suspension
2. An alternative placement if investigation reveals a crime has been committed

For more information please see www.panthervalley.org for Policy 237 - ELECTRONIC DEVICES

ENGLISH AS A SECOND LANGUAGE **Chapter 4 ESOL (effective January 16, 1999)**

Every school district shall provide a program for each student whose dominant language is not English for the purpose of facilitating the student's achievement of English proficiency and the academic standards under School Code 4.12.

ESL students will participate in the regular content classes to the level of their English proficiency. Adaptations and modifications will be made by the mainstream teacher with consultation or direction by the ESL teacher. The ESL teacher will provide pull out services as warranted by time and building constraints.

FIRE, TORNADO, AND EMERGENCY DRILLS

School law requires every school to have frequent fire drills. Students are taught to leave the building quickly and quietly and move to an area of safety under the direction of school staff members. Evacuation procedures are posted in all rooms. Tornado drills are also held at specific intervals and students are directed to designated, safe areas within the school building.

HAZING POLICY 247 REVISED

The purpose of this policy is to maintain a safe, positive environment for students and staff that is free from hazing. Hazing activities of any type are inconsistent with the educational goals of the district and are prohibited at all times. For more information please see www.panthervalley.org for HAZING - Policy 247

HOMEWORK

The Board of Education has adopted a policy that requires that homework assignments complement school instruction; develop student responsibility, good study habits and organizational skills. In addition, the Board wants homework to provide practice to reinforce skills taught by the teacher, broaden a child's scope of interest; provide parent and child interaction and allow parents to see the results of a child's day at school. Failure to do homework may result in an incomplete or failing grade and/or disciplinary action.

MEDICAL INFORMATION

Emergencies, Illnesses, Medicine Dispensing Rules & Form

MEDICAL EMERGENCY OR ILLNESS IN SCHOOL

The welfare of your child is the first consideration of school authorities. When in the case of serious medical emergency or illness the school is unable to contact a parent, guardian or authorized physician immediately, the school may call an ambulance or make whatever arrangements seem necessary without involving the school in any financial obligation. In case of a less serious emergency, the school will contact the parents at home or at work at once.

It is your responsibility to make arrangements for proper care in case your child should meet with an accident or become too ill to remain in school at a time when you are away from home. Please assist us by:

1. Providing transportation home or to the doctor's office, if necessary.
2. Designating a neighbor or relative to care for your child in their home until you can be reached.
3. Arranging for a person to care for your child when parents or guardians work or are routinely away from home when it is necessary for the school to send the child home due to illness.
4. Filling out **ALL ITEMS** on the emergency card and returning it promptly to your child's teacher.

COMMUNICABLE DISEASE

The period of time a child should remain out of school is at the discretion of the physician. It is suggested the child remain home until the danger of a secondary infection (ear infection, respiratory complications, etc.) is past.

The following communicable diseases are those which warrant remaining out of school for a prescribed period of time: COVID-19, measles, German measles (Rubella), chicken pox, mumps, whooping cough, scarlet fever and aids.

PRESENCE OF LICE AND NITS

According to the Center for Disease Control, head lice can be a nuisance but they have not been shown to spread disease. Personal hygiene or cleanliness in the home or school has nothing to do with getting head lice.

Upon returning to school after being identified as having live lice, the student and/or parent must report to the nurse to be checked and show proof of a medically recognized treatment, e.g., the box from the item used). If the student still has live lice, the student will be sent home. Should this condition continue to occur, the parent/guardian will be obliged to personally return the child to school to have the nurse check the condition of the student and/or attend a meeting.

Both the American Academy of Pediatrics (AAP) and the National Association of School Nurses (NASN) advocate that “no-nit” policies should be discontinued. “No-nit” policies that require a child to be free of nits before they can return to schools should be discontinued for the following reasons:

- Many nits are more than ¼ inch from the scalp. Such nits are usually not viable and very unlikely to hatch to become crawling lice, or may in fact be empty shells, also known as ‘casings’.
- Nits are cemented to hair shafts and are very unlikely to be transferred successfully to other people.
- The burden of unnecessary absenteeism to the students, families and communities far outweighs the risks associated with head lice.
- Misdiagnosis of nits is very common during nit checks conducted by nonmedical personnel.

IMMUNIZATIONS

The Pennsylvania Department of Health issued revised regulations to update the requirements for school immunization, effective with the 2017-2018 school year. The revisions to the regulations include the following:

1. Revised list of immunizations required for school admittance and attendance (located on the district website), including changes to the requirements for some vaccines/immunity and a new requirement for administration of meningococcal conjugate vaccine for entrance into 12th grade.

The biggest changes will be:

If a child has insufficient immunizations upon the start of the school year, the provisional time period for completion of the shots that in the past was 8 months has now been changed to 5 days.

If there is spacing of shots that will not allow for the series of shots to be completed within the 5 day provisional, they must produce a MEDICAL CERTIFICATE on or before the 5th day that schedules the remaining doses.

Two doses of meningitis vaccine will be required for all students’ grades 7-12 with the first dose given 11-15 years of age and a second dose at age 16 or upon entry into 12th grade.

One additional dose of Tdap (tetanus, diphtheria, acellular pertussis) given during grades 7-12.

2. Changes to provisional admittance - a student may no longer be provisionally admitted for any amount of time if they do not have a vaccine for which only a single dose is required, and at least one dose of a multiple dose vaccine series. If a student has received at least one dose of a multiple dose vaccine series by the first day of attendance that school year, the school administrator or administrator's designee (which could be the school nurse) may provisionally admit the child when one of the following occurs:

- a. The child will receive the final dose within five school days of the first day of attendance. The parent/guardian must provide proof of immunization on or before the fifth school day.
- b. The child will receive the next scheduled dose in a series within five school days of the first day of attendance. The parent/guardian must provide a medical certificate on or before the fifth school day scheduling the additional required doses.
- c. When the next dose is not medically appropriate during the five school days following the first day of attendance, the parent/guardian must provide a medical certificate on or before the fifth school day scheduling the additional required doses.

The immunizations must be completed in accordance with the requirements of a medical certificate that is signed by the physician, certified registered nurse practitioner, physician assistant or local health department and details the plan to bring the student's immunizations up-to-date (PA Dept. of Health has issued a [medical certificate](#)). The medical certificate must be reviewed at least every 30 days by the school administrator or designee. If, upon review, the requirements are not met, the school administrator or designee will exclude the student from school.

3. The regulations did not change the provisions for exemptions for medical and religious reasons, but additional exceptions were added to the immunization requirements for homeless students, and for foster care students and transfer students who have specific requirements. An exception was also added for the Secretary of Health to issue temporary waivers in cases of vaccine shortages or where a disaster impacts the ability for transfer students to provide their records.

Policy 203 was updated to provide definitions for Certificate of Immunization and Medical Certificate, to clarify the documentation school entities are required to keep on file regarding immunizations for students. The language on provisional admittance was revised to clarify that students may only be provisionally admitted after beginning a multiple dose vaccine series and submitting proof of immunization or the medical certificate on or before the fifth school day of attendance. Additional language was added to address the exceptions and special provisions for homeless students, foster care students and students transferring into a school within the Commonwealth.

Please refer to Policy 203

RULES FOR TAKING REQUIRED MEDICATION IN SCHOOL

The State Board of Nurse Examiners has ruled that it is not within the permissible scope of nursing practice for a school nurse to administer medications, including patent medicines, to school children without specific orders from a licensed physician or dentist.

In accordance with this ruling, the school nurses in the Panther Valley School District will administer medications to students during school hours under the following conditions:

- 1) A district form, "Authorization For Medication During School Hours", is to be completed by the physician or dentist specifying the name of the medication, dosage, and time it is to be given. It **MUST** accompany the medication.
- 2) This form is available through the school nurse's office.
- 3) This form **MUST BE** signed by the parent/guardian. The medication is to be brought to the nurse's office.
- 4) The medication should be in a properly labeled container with the student's name, name of the medication and time to be given during school hours.

All of the above requirements must be met or the medication will not be administered

Dear Parent/Guardian:

The State Board of Nurse Examiners has ruled that it is not within the permissible scope of the nursing practice for a school nurse to administer medication, including patent medications, to school children without specific orders from a licensed physician or dentist.

In accordance with this ruling, the school nurses in the Panther Valley School District will administer medications to students during school hours under the following conditions:

- A. A note signed by the physician or dentist specifying the name of the medication, dosage to be given, and the time it is to be given, must accompany the medication.
- B. The medication must be brought to the nurse's office in each respective building in the original prescription container, properly labeled by a registered pharmacist, as required by law.
- C. Parents or guardians must sign the consent for medication form.

All of the above requirements must be met or the medication will not be administered in the school. Self-administration of inhalers/EpiPens will be permitted provided that a written order from the physician is obtained along with signed parental permission (see attached form). We strongly recommend that children age 11 and under continue to receive and store their medication with the school nurse.

The Panther Valley School District advocates that the responsibility for transport of medications to and from school lies with the parent or guardian. The district will not accept responsibility for the mishandling of medication while transported by a student.

Sincerely,

David McAndrew, Jr.
Superintendent of Schools

PARENT CUSTODY GUIDELINES

The responsibilities of the school and the rights of parents in educational matters involving separation or dissolution of a marriage shall take into consideration the following broad guidelines.

1. Separated or divorced parents are advised of **their obligation to officially inform the school** of their status in terms of the custody of the child and to rights of either parent regarding access to the child and responsibility for the child's education. This includes, but is not limited to, any custody agreement, as well as **any changes that occur** within the agreement.
2. Where the court has awarded "legal custody", the right to make educational decisions for the child resides with the custodial parent. Involvement in the child's educational process by a non-custodial parent should be subject to the custodial parent's approval or some provision set by the custody agreement.
3. In the absence of a court directive fixing custody, the parent who has actual physical possession and control of the child would be responsible for the child's attendance at school and thus make the decisions affecting the child's education.
4. Although the school **may** permit access of the child to the non-custodial parent, they **are not obligated to do so**. Through the proper exercise of their in loco parentis responsibility, the school authorities may deny access in any case where the child's education, health and welfare might be placed in jeopardy.
5. **Non-custodial parents shall not be allowed to take the child off school premises** without the explicit consent of the custodial parent unless a valid and specific visitation schedule is on file in the office.
6. In the matter of school records, both parents have the right-of access to all information relating to their child's education unless there is a court document specifically prohibiting it. Report cards, progress reports and other educational information routinely provided to the custodial parent by the school may also be sent to the non-custodial parent upon written request. The written request must state the name and address of the person making the request, their relationship to the student and specifically list the information requested. It takes approximately ten working days for the information to be collected. **REQUESTS MUST BE RENEWED EVERY NEW SCHOOL YEAR.**
7. Contact by the non-custodial parent with school staff may be permitted under the same conditions as it is offered to the custodial parent. In the case of the noncustodial parent, it *should* be understood that such contacts are for informational purposes only and should not involve educational decision making unless explicitly approved by the custodial parent.

STANDARDS – ACADEMIC STANDARDS-BASED INSTRUCTION

The state of Pennsylvania adopted academic standards for Language Arts, Math, Science, Social Studies, Physical Education and the Arts and Humanities. These standards identify what a student should know and be able to do at each grade level. The Panther Valley School District designed its local curriculum and instruction to ensure that students meet or exceed the state's expectations. The elementary teachers continuously develop professionally in the area of academic standards. Each teacher is required to develop his/her daily lesson from the district's curriculum guide in each subject area.

For more information please see www.panthervalley.org for ACADEMIC STANDARDS - Policy 102

STATEMENT OF NON-DISCRIMINATION

Panther Valley School District is an equal opportunity educational institution. The district does not discriminate on the basis of race, religion, age, color, national origin, sex, age, handicap, or limited English proficiency in its activities, programs, or employment practices as required under Title VI, Title IX, and Section 504, and the Americans with Disabilities Act of 1990.

STUDENT ASSISTANCE PROGRAM (SAP)

A specially trained team of staff members is available to offer assistance to students. The program called SAP consists of an intervention team, staffed by teachers, the guidance counselor, school nurse, administrator, and appropriate support agencies for the county (Mental Health and Retardation, Drug and Alcohol, and Juvenile Court Offices) trained to identify and refer "at risk" students for appropriate treatment. High-risk concerns include: substance abuse, sexual abuse, depression and suicide prevention. Referrals for high-risk students may come from students, parents, teachers, counselors, or any employee of the district. Anyone concerned about the emotional or physical well-being of a student is encouraged to contact a member of SAP. Information about the program is available by calling the principal's office.

STUDENT CONDUCT POLICY AND PHILOSOPHY

The problem of maintaining effective discipline in the school is seen to be a joint responsibility of all persons who come in contact with students. Primarily it is recognized that teachers and building principals carry the bulk of the responsibility for doing everything within their capability to affect good discipline to their classes and throughout the building wherever they happen to be. This assumes that teachers will take the responsibility to act on student misbehavior even when it involves students who are not assigned to them directly and even when it takes place in a location other than in the teacher's own classroom. The building principal, utilizing a process which involves school staff members, is responsible for establishing the

specific rules and regulations of the school within the framework of district policy that will foster good behavior on the part of students. When the principal is involved in a problem regarding student misbehavior, he/she is obliged to keep the teacher or other employees who referred the problem to him/her well informed of the status of the matter and of any actions taken.

The following conditions are favorable to the development of good school discipline: It is the responsibility of the home to:

- Assume the primary responsibility for the discipline of the child.
- Be aware of the child's responsibilities and obligations in the school as well as in the community and establish home conditions which are favorable to this success in school.
- Recognize that school personnel must necessarily concern themselves primarily with group training and group behavior.
- Cooperate with school authorities and participate in conferences regarding the behavior, health and/or academic progress of their children. Parents are responsible for the willful misbehavior of their children, in conformance with provisions of the statutes of Pennsylvania.

It is the expectation of each student to:

- Be honest and ethical.
- Avoid use of obscene-vulgar language or actions.
- Refrain from loud distracting conversations and horseplay.
- Report to class on time, prepared to work.
- Exhibit appropriate classroom conduct within limits of established rules.
- Treat others with courtesy, dignity and respect.
- Express opinions in a respectful manner so as to not offend or hurt others.
- Demonstrate proper grooming and hygiene in accordance with our dress and grooming policy.
- Comply with rules and regulations for student behavior and conduct themselves in accord with them.
- Cooperate with school staff in matters relating to health, safety, and welfare of the school community and the protection of school property.
- Assist the school staff in operating a safe and clean school for all students and staff.
- Exercise proper care when using public facilities and equipment.
- Attend school daily, except when excused, and to be on time to all classes and other school functions.
- Make all necessary arrangements for making up work when absent from school.

It is the expectation of each professional staff member to:

- Consistently enforce all existing school policies.
- Encourage the use of good guidance procedures.
- Maintain an atmosphere conducive to good behavior.
- Exhibit an attitude of respect for students that has a positive influence in helping students develop good citizenship traits.
- Plan a flexible curriculum to meet the needs of all students.
- Promote effective training or discipline based on fair and impartial treatment of all students.
- Set standards in their classes that reflect a district-wide attitude of high standards of achievement.
- Inform all students what is required of them whenever they enter the classroom.

In order to implement our policy on Student Conduct, the Panther Valley School District Board of Directors has adopted the following policies as an instrument to bring about a positive educational climate in our school. These rules reflect the rights of individuals set forth in the United States Constitution, the Pennsylvania State Constitution, the State Board of Education's mandated regulations, Panther Valley School District policies and recent court decisions.

Each school has its own Positive Behavior Support policy to be sent home at the beginning of the school year.

ELEMENTARY SCHOOL SECTION

PVES DROP-OFF PROCEDURES

Walkers

Student drop-off is between 8:15 a.m. and 8:30 a.m. Students should not arrive before 8:15 a.m. Parents/caregivers dropping off their children must use our drop off line. Cars must use the far entrance nearest CVS to enter the front driveway by the gym. You may not park in the front parking lot. We ask that you have your child/children exit out the driver side of the car and that adults remain in the car. Please have your child practice putting on his/her own backpack in advance.

Students should exit their car when directed to do so by a staff member. We plan to exit 3-4 cars at a time. Please pull up to the front of the line when directed to do so by staff. We must keep this line moving to avoid backing up traffic. Please limit your goodbyes each morning.

If you feel you must walk your child to the building, you should park along N. Mermon Ave. and either walk them to the gym door OR the door to the right of the cafeteria. The main entrance is for bus students ONLY. Please use crosswalks and note that pets are NOT permitted on school property (no matter how cute they are). Also, smoking is not permitted on school property.

Bus Students

Parents/Caregivers of students in kindergarten and 1st grade **MUST** accompany their child to the bus stop in the morning. It is suggested you arrive 5-10 minutes prior to your child's scheduled pick-up time. There is no school supervision at bus stops. Any incidents occurring at the bus stop should be reported to both the school and your local police department. Please refrain from smoking at bus stops and bringing pets to bus stops. Students dropped off by bus will enter the main doors and report directly to the cafeteria or their classroom.

PVES PICK UP PROCEDURES

Walkers

Dismissal will begin each day at approximately 2:50 p.m.. Walkers will be dismissed first. If you are picking your child up, you should park along North Mermon Avenue and surrounding streets. Do not park in the front lot. The front lot will be closed to traffic each day at 2:30 p.m. For those picking up students, we ask that you wait in the front parking lot for your child. We will dismiss students in the following order: 3rd grade, 2nd grade, 1st grade, kindergarten. This will allow older siblings to wait for younger siblings if they are leaving together. Kindergarten students will not be released unless they see a familiar adult waiting for them.

Please note that buses will be released at the same time through the main doors and 2nd grade hall doors. Parents are not permitted to take students off a bus or out of a bus line. Please watch small children closely at dismissal and use crosswalks at all times. No smoking or pets permitted at dismissal

Bus Students

Parents/caregivers are encouraged to meet their child at the bus stop and parents/caregivers of kindergarten and 1st grade students **MUST** be present at the bus stop. You should arrive at the bus stop five to ten minutes prior to the drop-off time. Those students who have no one to pick them up at the bus stop will be returned to the bus garage or the local police office. Every attempt to notify parents/caregivers of busses running late will be made, but at times it may not be possible. Please refrain from smoking at bus stops and bringing pets to bus stops.

MAKING EMERGENCY CHANGES TO YOUR CHILD'S TRANSPORTATION AT DISMISSAL

If you need to make a change to how your child usually goes home (for example, they will be picked up rather than ride the bus), all requests must be submitted in writing. Please refer to the bus policies for further information about making changes to a child's bus assignment. **No changes will be accepted after 2 p.m. to ensure students are sent home safely.**

Similarly, if you need to pick your child up early, you must submit a note in writing. Any time that a child is picked up prior to the time of dismissal, the person picking up the child must present a photo ID and be listed as a parent/guardian or an emergency contact in the student's records. This is to ensure the safe release of all children. Children should not be picked up from 2:30-3:00 without proof of a doctor's note to avoid confusion at dismissal.

EARLY DISMISSAL (PVES)

Early dismissal for the Elementary School will be at 12:15 p.m. Lunch will be served. The same dismissal procedures should be followed, with dismissal beginning at 12:05 p.m.

PARENT-TEACHER CONFERENCES (PVES)

Our parent teacher conferences will be held on 11/10/2021, 11/11/2021, and 11/12/2021. Students will follow the early dismissal schedule.

ELEMENTARY REPORT CARDS AND GRADES

All students will receive four report cards. The Panther Valley School District uses a computer system called Sapphire to produce report cards, schedules, and attendance records.

In grades 1-3, students receive a traditional grade (A-F) in Math. Students will be rated as Advanced (exceeding grade level standards), Proficient (meeting grade level standards), Basic (below grade level standards), or Below Basic (well below grade level standards) in the area of English Language Arts. Information will also be provided in both subjects about whether or not students are meeting particular skill expectations. Students receive competency based grading in special area classes, respectful behaviors, and learning behaviors. Kindergarten students will receive quarterly skill reports from a program called ESGI, in place of a report card.

STUDENT OF THE MONTH AWARDS

Each month, every classroom teacher may select one candidate for this award. The student must meet the criteria outlined below:

1. Attendance will be no more than three (3) absences in the month.
2. Working to the best of his/her ability.
3. Exemplary behavior in the classroom, cafeteria, library, lavatory and on the playground.
4. No tardiness.
5. Completion of homework in all subjects.
6. Get along with others. Acts responsibly.
7. Has not received the award in the same school year.

Each student from each class will receive a certificate of achievement and a pencil. This selection process is solely at the discretion and expertise of each teacher. The teacher's decision is final. Awards will be presented for every month that school is in session with the exception of August and June.

TITLE I PROGRAMS

Panther Valley Elementary School receives funding for a school-wide Title I program. A school-wide program allows us to offer reading services to students who are achieving below grade level in reading. There are two Title I teachers at the elementary school. Teachers recommend students to receive support in reading based on assessment scores and classroom observations. These services may take place inside and outside of the classroom. Students' progress will be closely monitored. It is a fluid program, which means students may enter and exit the program throughout the year. You will be notified if your child is receiving direct support and notified if direct support is being discontinued.

Parent/Caretaker engagement is an important process of the Title I program. The Title I teachers will hold family nights and information sessions throughout the school year. In addition, parents/caretakers are invited to participate in the development of a Title I compact.

Should you feel that your child may be in need of services through our Title I program you may call the school and speak with the Title I coordinator or the school principal.

PVES COOL CATS - PBIS

The PVES Cool Cats program is a school-wide positive behavior support program. The program teaches students what it means to be safe, respectful, and responsible throughout the school building and in the community. Each grade level has a behavior matrix that outlines the behavior expectations at that grade level. Students will be explicitly taught how to demonstrate these expectations in each setting throughout the school year. We ask that parents review these expectations at home as well.

Those students who demonstrate what it means to be a cool cat during the school day will receive a golden ticket. These tickets can be collected and traded in for tangible prizes, e.g., pencils, small toys or non-tangible prizes, e.g., lunch with the principal at our school store. Students will visit the school store monthly. Students should keep their tickets in school so they are not misplaced.

Students are also able to be recognized as the Cool Cat of the Month by their classroom teacher. This monthly award is given to the student who has shown exceptional behavior throughout the month OR to the student who has shown a great improvement in their behavior over that month. The student is recognized by the principal in front of their classroom and receives a certificate.

One student per day is recognized as the Cool Cat of the Day. This student is chosen at random by a teacher who is given a Cool Cat of the Day form. The student that is recognized will have their name announced over the PA, they will be given a certificate of recognition, and get a phone call from the principal.

Each month, a Cool Cats Celebration will be held. This will give students an opportunity to participate in an extra recess, a fun activity in the gym, or some other type of celebration. All students, except those who have a major referral in the month, will be eligible to participate in the celebration.

Children, just like adults, make mistakes from time to time. When a student does not follow the behavioral expectations, he/she may receive a behavior referral. In response to the behavior, the teacher/staff member will offer re-teaching of the appropriate behavior and the student may receive a consequence. Parent-home communication is the best intervention for addressing behavior challenges. We appreciate you supporting our efforts to maintain a safe school environment for all students.

Minor Behavior Referral

A minor referral is handled by the teacher or staff member present at the time. As a result of this referral, the student may receive a consequence that is carried out by the referring teacher or staff member. It will also include re-teaching of a particular behavior or the student will be asked to participate in some type of restitution, e.g., apologizing. The parent will receive a form documenting this incident from the teacher. A child who has more than 3 minor behavior referrals in a marking period will receive a major behavior referral.

Minor behavior infractions include:

Behavior	Definition
Dress Code Violation	Student is out of dress code after initial dress code form was completed and phone call was made home.
Disrespect to Others	Student engages in brief or low-intensity failure to respond to adult requests or demonstrates low level rude behaviors that impact others. This includes the first instance of stealing.
Disruption after Reminders	Student engages in low-intensity, but inappropriate disruption such as yelling, calling out, out of seat.
Dress Code Violation (After One Reminder)	Student is out of dress code after teacher has made one previous phone call to discuss a dress code violation. Focus is on student's wearing jeans/sweats and/or a non-collared shirt.
Inappropriate/Rude Language	Student engages in low intensity and unkind language towards another peer and/or uses curse words.
Minor Physical Contact/Horseplay	Student engages in non-serious and low intensity physical contact, such as pushing, shoving, kicking, and/or rough play or invasion of other's personal space.
Misuse of School Property	Student engages in low-intensity misuse of property (school or others' property) or shows intent to damage property.
Stealing	Student steals from teacher or another student.

Consequences for minor behavior referrals may include:

- Conference with the teacher about expectations
- Individualized instruction and modeling of behavior with the teacher
- Seat change in the classroom or other modifications to decrease behavior
- Loss of recess in the classroom or on the stairs outside (1 day)
- Loss of classroom privilege (will be specified by teacher)
- Meet with school counselor or school psychologist to discuss behavior
- Meeting with teacher and a peer or group of peers to discuss on-going concerns
- Parent phone call or meeting
-

Major Behavior Referral

A major referral is handled by the principal. This is reserved for behaviors that significantly disrupt the learning environment and/or put students or staff at risk of harm. The principal will call the parent, discuss the incident, and describe the consequence. Any student receiving a major behavior referral will not be able to participate in that month's Cool Cat Celebration event, e.g., dance party, extra recess, etc. They will remain with a teacher or staff member during that time and go over the Cool Cat expectations.

Behavior	Definition
Abusive Language/Verbal Threats	Verbal or written messages that include vulgarity, name calling, and/or use of threatening words in an inappropriate way directed or intended to harm others.
Destruction of Property	Student participates in activity that results in significant destruction of school property or the property of others.
Excessive Defiance	Refusal to follow directions, talking back, and/or socially inappropriate interactions that prevent the teacher from continuing instruction. Student does not respond to or respect preventative strategies used.
Excessive Disruptions	Behavior causing an interruption to a class or activity. This includes loud and sustained talking, yelling, and frequent out of seat behavior that disrupts others. Student does not respond to or respect preventative strategies used.

Physical Aggression	Student engages in serious and inappropriate physical contact with another (hitting, punching, slapping) with the intent of purposefully injuring or harming the other person.
Repeated Stealing	Student is in possession of having something that belongs to someone else. Student has been written up prior for stealing other's belongings.
Repeated Dress Code Infractions	Student continues to be out of dress code, despite multiple phone calls home from the teacher and at least one previous minor behavior referral about the dress code violation has been submitted. Focus is on student's wearing jeans/sweats and/or a non-collared shirt.

Consequences for major behavior referrals may include consequences outlined under minor behavior referrals and one or more of the items below:

- Recess detention (1-5 days depending on the severity of behavior and past incidents)
- Lunch detention (1-5 days depending on the severity of behavior and past incidents)
- Required parent conference (see note below)
- Time-out in the office
- After-school detention (Grade 3)
- Out of school suspension

Required Parent Conference: In the event that there are reoccurring instances of the same behavior, after multiple disciplinary write-ups, a student will be withheld from privileges, e.g., recess or lunch in the cafeteria until a parent schedules a meeting with the administration to discuss the behavior and a plan to decrease future instances of the behavior. Formal notification will be sent home with the student and mailed home if this situation arises. It is the requirement of the parent to call and speak with the principal to schedule this mandatory conference. Meetings are available between the hours of 9:15 a.m. and 2:00 p.m., per principal availability. Privileges will not be restored until an in-person meeting is held.

Major Behavior Referrals Outlined in School Board Policies

Please note that a major referral that violates a school board policy is subject to additional consequences, as outlined in the Panther Valley School District Board Policies. These consequences may include expulsion from school. Those behaviors would include the following:

Repeated and On-Going Bullying/Harassment	Student delivers ongoing, frequent disrespectful message to another person that includes threats/intimidation, obscene gestures or notes over a long period of time. This could include negative comments based on demographics, e.g., race, gender, etc.
Fighting or Assault	Actions involving serious and purposeful physical contact (fist fighting, throwing items at adults, etc.) and there is injury to a staff member or peer.
Weapon	Student possesses a weapon that presents a danger to others or uses a common item, e.g., pencil with the intention to hurt others.

TOYS, STUFFED ANIMALS, ETC.

Students should leave all personal belongings, including toys, electronic devices, Pokémon cards, stuffed animals, dolls, balls, action figures, and other items at home. These items are distracting to the learning environment and can become a distraction on the bus. In addition, these items can often become lost or stolen. If a student brings an item to school, he/she will be required to keep that item in the backpack for the entirety of the school day. Teachers will inform parents if the student is asked to bring in a particular item for show and tell or other school activity. If students repeatedly continue to bring items to school items will be confiscated and only be returned when a parent picks them up.

RECESS

Weather permitting students will go outside for recess. Students should wear sneakers every day to school. If a student is not wearing sneakers, they will not be permitted to use the playground. If a student is demonstrating unsafe behavior during recess, the staff may ask students to sit on the steps for the remainder of recess. If misbehavior continues, they will be brought inside and a discipline referral will be written.

INTERMEDIATE SCHOOL SECTION

ARRIVAL

Students **should not** arrive at school prior to the start time of 8:15 A.M. A grab and go breakfast will be available in the lobby for pick-up.

PARENT DROP OFF AND PICK UP PROCEDURES

These students will enter the building and dismiss through the cafeteria doors with the supervision of staff. Students will remain in the vehicle until staff is present to escort them into the building at drop-off time of 8:15 A.M. At dismissal, parent pick up students will report to the cafeteria and be dismissed by staff to the same parking area.

DEMERIT SYSTEM / ACADEMIC ELIGIBILITY

It is our goal as educators to help our students be academically successful as well as good citizens through promoting appropriate behavior. In an effort to justify student exclusion from reward activities, which may occur during the school day, the following demerit system and academic eligibility will be used in the Intermediate School.

Activities affected by this system may include, but are not limited to movies, talent show, Black Gold and White Day, or field trips. Barring unusual circumstances, students will not be excluded from those activities which are designed to better their overall academic and social growth, such as skill building assemblies and musical performances.

We also acknowledge that our students are young and will make poor choices. We will include a merit system where students can earn back demerits after a period with no referrals.

Demerit Structure

Loss of Privilege / Lunch Detention ~ 1 Demerit

Teachers recommend students to receive support in reading based on assessment scores and classroom observations. These services may take place inside and outside of the classroom. Students' progress will be closely monitored. It is a fluid program, which means students may enter and exit the program throughout the year. You will be notified if your child is receiving direct support and notified if direct support is being discontinued.

Parent/Caretaker engagement is an important process of the Title I program. The Title I teachers will hold family nights and information sessions throughout the school year. In addition, parents/caretakers are invited to participate in the development of a Title I compact.

Should you feel that your child may be in need of services through our Title I program you may call the school and speak with the Title I coordinator or the school principal.

PVIS SCHOOL-WIDE POSITIVE BEHAVIOR SYSTEM

The school-wide positive behavior support is a behavior reinforcement system implemented in our school to promote a positive learning environment. The program is based on student expectations, acknowledgement of student behavior and a reward system that appeals to learners of all ages.

Behavior Expectations

PVIS students **PURR** with Pride:

- P**repared to learn – being organized, focused and having the appropriate supplies
- U**nified – working together toward a common goal
- R**espectful – being considerate of yourself, others and their property
- R**esponsible – making good decisions for yourself and be accountable for the choices you make

These expectations expand to the classroom and non-classroom settings, including the bus, hallway, bathrooms and cafeteria.

Parent's Role

- *Know the behavior expectations in all areas of the school environment
- *Model and reinforce PURR in the home setting
- *Participate in celebrating the positive behavior success of your child
- *Encourage and motivate your child to strive for positive experiences every school day
- *Communicate with the school when there are questions about your child's behavior

“Paw” Tickets for Good Behavior

Students receive “Paw” tickets for demonstrating good behavior during the school day. These tickets can be used at the school store or during our quarterly raffles. The following activities are also tied into our PBS system....

Activity Days – Students select their top choices of activities from a list and are assigned to that group for the first half of the year. Groups then switch for the second half of the year. Activities include groups such as movies, reading, sports, arts/crafts, computers, Harry Potter, board games, and community service.

Charity Event – Each year Panther Valley Intermediate School supports one or more charities through an event.

Student of the Month – Each month three students, one from each grade level, are selected as Student of the Month. Students receive a certificate and gift card to Walmart.

Behavior Referrals

The following is a list of examples of behaviors in which the students will receive a warning / loss of privilege such as lunch detention or loss of recess. Once a student has acquired three “warnings”, a minor offense will be issued through the disciplinarian/principal.

- * Gum Chewing
- * Out of assigned seat
- * Unprepared for class/failure to complete homework

PENNSYLVANIA AND FEDERAL GOVERNMENT REGULATIONS

HARASSMENT, DISORDERLY CONDUCT, CRIMINAL MISCHIEF AND CRIMINAL TRESPASS

While the Student's Rights and Responsibilities addresses discipline measures concerning student behavior, there are those situations where severe discipline problems involving harassment, criminal mischief, criminal trespass, disorderly conduct and related offenses will be handled under the Pennsylvania Crime Code, Title 81, Chapter 55, Sections 2709, 3304 and 5503 as well as other appropriate sections.

A decision on the involvement of the Panther Valley School District is the preferring of charges of harassment, disorderly conduct, criminal mischief or criminal trespass to be made by the administration. The person who witnesses the incident will not be the person bringing the charges. However, all school personnel who are involved in any way will give their full support and the person who witnesses the incident will appear at the hearing.

Charges of harassment, disorderly conduct, criminal mischief and criminal trespass may be brought against a student or any other individual whether on school property, at a school-related function or on school busses.

The Panther Valley School District will utilize the Pennsylvania Criminal Code and Criminal Procedure through the local magistrate court system for infractions of the Panther Valley School District discipline policies, when in the opinion of the administration, this is the most effective procedure to remedy a problem, correct an unacceptable behavior or to recover costs incurred as a result of the misbehavior of students, visitors or others covered by these policies. The initiation and continuation of criminal proceedings may take place in addition to disciplinary procedure and actions warranted by the Panther Valley School District to problems involving students on busses, persons other than students who attempt to use school transportation improperly and students attending school-related functions.

CHARGES WHICH MAY BE PROCESSED THROUGH LOCAL MAGISTRATES

The following charges shall be considered as being proper for such disciplinary procedures. These follow with definitions taken from the "Pennsylvania Criminal Code and Criminal Procedures" better known as the Pennsylvania Crime Code. UNAUTHORIZED TAPE RECORDING

In Pennsylvania tape recording is covered under the "Wiretapping and Electronic Surveillance Control Act". This type of undisclosed tape recording is illegal.

NOTIFICATIONS AND STATEMENTS

NOTICE OF ASBESTOS MANAGEMENT PLAN

The Asbestos Management Plan of the Panther Valley School District is on file and available for inspection at the Administration Office located at 1 Panther Way, Lansford, PA 18232. It is available during normal business hours (8:00 A.M. to 3:00 P.M.) without the cost or restrictions for inspections by parents, teachers, and other school personnel. There will be a charge of twenty-five cents per page to make copies of the plan. The district has also completed the required Periodic Surveillances and the Three Year Re-Inspections of all buildings in the district in total compliance with the federal and state mandates.

NOTICE OF PEST MANAGEMENT

Dear Parent(s) or Guardian:

The Panther Valley School District uses an Integrated Pest Management (IPM) approach for managing insects, rodents and weeds. Our goal is to protect every student from pesticide exposure by using an IPM approach to pest management. Our IPM approach focuses on making the school building and grounds an unfavorable habitat for these pests by removing food and water sources and eliminating their hiding and breeding places. We accomplish this through routine cleaning and maintenance. We routinely monitor the school building and grounds to detect any pests that are present. The pest monitoring team consists of our building maintenance, office and teaching staff and includes our students. Pest sightings are reported to our IPM coordinator who evaluates the "pest problem" and determines the appropriate pest management techniques to address the problem. The techniques can include increased sanitation, modifying storage practices, sealing entry points, physically removing the pest, etc.

From time to time, it may be necessary to use chemicals to manage a pest problem. Chemicals will only be used when necessary, and will not be routinely applied. When chemicals are used, the school will try to use the least toxic product when possible.

(Applications will be made only after normal school hours) Notices will be posted in these

areas 72 hours prior to application and for two days following the application.

Parents or guardians of students enrolled in the school may request prior notification of specific pesticide applications made at the school. To receive notification you must be placed on the school notification registry. If you would like to be placed on the registry, please notify the district in writing. Please include your email address if you would like to be notified electronically.

If a chemical application must be made to control an emergency pest problem (ex. Stinging insects), notice will be provided by telephone to any parent or guardian who has requested such notification in writing. Exemptions to this notification include disinfectants and anti-microbial products; self-containerized baits placed in areas not accessible to students, and gel type baits placed in cracks, crevices or voids; and swimming pool maintenance chemicals.

Each year the district will prepare a new notification registry.

If you have any questions, please contact Scott Fisher, IPM Coordinator at 570-657-0049.
